## Password Reset User Guide

If you forget your password and need to reset it, our website provides the ability to handle this without the need for our staff to reset your password.

*Note: our staff cannot see your password, but we do have the ability to reset your password for you after we verify your identity.*

Resetting your password uses the following steps:

Visit our login page at: {WEBSITEURL}/account/login and click the “Forgot Your Password?” link (1).

## Log In

### Sign In

**Username or Email Address**

  

**Password (case sensitive)**

## Password Reset User Guide

Enter your registered email address in the email box (1) and click Submit

Forgot Password ✕

**For security reasons, we cannot recover your old password.**  
Enter your email address below to send a link to reset your password to your e-mail.

Enter your email address

 1

Cancel Submit

When you submit your email address, you will receive an email from us with a link that will prompt you to enter the PIN Code provided (1)

Forgot Password ✕

**Your password reset email has been sent**  
A password reset e-mail has been sent to the e-mail address provided.

Change your password in three easy steps.  
*This helps to keep your new password secure.*

- 1 Write down/memorize your 5-digit PIN code on the page.
- 2 Open the password reset e-mail and click the link provided. This link expires in 1 hour.
- 3 Use the PIN code provided here to change your password.

**Your PIN Code**

You will receive an email that looks similar to the image below. Click the “Reset Password” link (1) to return to our site and enter your PIN number.
